

How to register in the “Physics of Semiconductors” course?

To register in the course one has to sign up from the course website (<https://sc.hcverma.in/>). Follow the steps given below to register in the course:

1. Go to the course website (<https://sc.hcverma.in/>)
2. Click on “SIGN UP” in the top right hand corner.

3. A form opens up. Fill in all the information like, full name, email, gender and nationality etc.

The image shows the registration form on the "Physics of Semiconductors" website. At the top left, the text "Physics of Semiconductors" is displayed. In the top right corner, there are two buttons: "SIGN IN" and "SIGN UP". The main content area features a form titled "CREATE NEW ACCOUNT" with the following fields: Full Name, Username, E-mail address, Country (dropdown), Gender (dropdown), Age Group (dropdown), Affiliation (dropdown), and Qualification (dropdown). Below these fields is a large green button labeled "CREATE NEW ACCOUNT". Below the form, the text "ALREADY REGISTERED" is displayed, followed by a button labeled "SIGN IN".

4. Click on "CREATE NEW ACCOUNT".
5. Now a mail will be sent to your registered email address. Click on the **one time link** in the mail to set your **password**.
6. From now on, "SIGN IN" to access the course content.
